

HughesNet High-Speed Internet for Home

HughesNet 
Broadband Unbound.™

HughesNet is the high-speed Internet solution that's available to everyone – even in areas where cable Internet and DSL don't reach.[†] HughesNet uses satellite technology for a super-fast, always-on Internet connection. That means faster surfing, faster downloads, instant email access and it doesn't use your phone line – so missed calls and dialing in are a thing of the past! HughesNet lets you enjoy the Internet the way it was meant to be.

HughesNet high-speed Internet by satellite:

- **Available everywhere** – Even in areas where DSL won't reach[†]
- **High-speed** – Lets you download large files in minutes, not hours
- **Always-on** – Makes dialing in and logging on a thing of the past
- **No phone line** – Frees up your phone line, no missed calls
- **Reliable** – From the leader in broadband by satellite communications

1. When you connect to the Internet using HughesNet, the upload and download speeds you experience will vary based on a variety of factors including the configuration of your computer; the number of concurrent users; network or Internet congestion; the speed of the Websites you are accessing; and other factors. Stated speeds and uninterrupted use of service are not guaranteed. During peak hours, actual upload and download speeds will likely be lower than speeds indicated.
2. Download Threshold is the volume of data that can be downloaded *continuously* before the Fair Access Policy may restrict the download speed. Several variables affect this number including speed of download, duration of download, and the plan's Recovery Rate.
3. Recovery Rate is the speed at which a service plan recovers the Download Threshold.
4. Satellite equipment and standard professional installation included with Promotional option. After 15 months, the monthly fee converts to the then-current rate.
5. Service Assurance includes 2nd business day coverage, 8am-5pm, Monday through Friday. \$29.95 per onsite repair incident in addition to monthly fee. 30-day vesting period if not ordered at time of initial purchase. Service Assurance is included with Promotional option for 15 months, after which the then-standard monthly price applies (currently \$5.95).
6. Service Assurance Plus includes next business day coverage, 8am-5pm, Monday through Friday. \$29.95 per onsite repair incident in addition to monthly fee. 30-day vesting period if not ordered at time of initial purchase. Discounted price (\$7/mo.) for Service Assurance Plus with Promotional option applies for 15 months, after which the then-standard monthly price applies (currently \$12.95).
7. PowerPak includes .98 m antenna; 2 W radio; tri-mast, non-penetrating, or pole mount; and professional installation.

* \$100 mail-in rebate applies to new subscribers only. HughesNet equipment and service must be purchased between 1/08/07 and 3/31/07. HughesNet service must remain active for a minimum of 31 days.
